As this term ends for the National Boating Association of Maldives, the achievements and the work done during these past 2 years are plenty. With the hard hit of the worldwide pandemic, the Maldivian boating industry, which depends on tourism arrivals, was nearly crippled.

However, with hard work, a lot of team work, patience and strategic thinking; NBAM is still here stronger than ever. Our membership numbers have increased, despite the difficulties faced due to COVID-19. Looking at the achievements, the National Boating Association of Maldives has pulled off the largest Marine Expo held in the Maldives. With over 60+ exhibitors it came about to become a huge success. Furthermore, NBAM has also launched the nationwide safety awareness campaign 'Life Jacket – Wear It' and also conducted many other activities in regard to development, promotion and human resource development of the industry.

On behalf of the current board of NBAM, we would like to thank each and every one who has always supported our industry and aided in making tourism in Maldives progress. Additionally, we would like to congratulate the new board of NBAM. We wish you success and all the very best in your future endeavours!
