MALDIVES BOATING AWARDS 2026: MEMBERSHIP NOW OPEN FOR PARTICIPATION

The Boating Awards 2026 is set to celebrate excellence, innovation, and outstanding achievements across the boating and maritime industry. With a total of 40 award categories, this year's edition promises to be one of the most comprehensive recognitions of industry excellence to date.

To be eligible to participate in the Boating Awards 2026, companies and individuals must complete their membership registration on or before 30th March 2026. Only active members will be eligible to submit nominations and compete across the various categories.

The awards aim to highlight innovation, leadership, sustainability, service excellence, and overall contributions that continue to elevate the boating sector. With 40 diverse categories, participants will have the opportunity to showcase their achievements and gain industry-wide recognition.

Industry stakeholders are encouraged to complete their membership early to secure eligibility and prepare for the nomination process.

Further details regarding categories, nomination guidelines, and the awards ceremony will be announced soon.

Number of Categories: 40
